

JT Moore Early Morning Study Hall

2016-2017

As a service to our working families, we offer Early Morning Study Hall at JT Moore from 7:30 to 8:40 a.m. each school day, beginning Friday, August 5. The program will be held in the library on most mornings. Mr. Todd Henderson, 7th grade social studies teacher, and Mrs. Erin Bridges, school librarian, will monitor Study Hall. This is a very successful program that we began last school year.

Note: There is NO charge for Study Hall, but your child MUST be registered, and children not adhering to Study Hall policies will not be allowed to participate.

- In order to participate in Study Hall, students must be registered, in person, by their parent/guardian. **Fill out the registration form below and hand-deliver it on the first day your child attends Study Hall.**
- Students must not be on campus before 8:40 a.m. unless enrolled in YMCA Fun Company, early morning Spanish, or Study Hall, or who have a pre-arranged meeting with a specific teacher.
- Except for students attending the early morning Spanish classes or YMCA Fun Company, or meeting with a teacher that has been scheduled with the specific teacher, students are not to be dropped off or on school property until 8:40, unless they are enrolled in Study Hall.
- Students may not be dropped off and hang out on the sports fields, in the school courtyard, or in the building. Students must go directly to Study Hall.
- Students must work on Think Through Math, Achieve3000 reading, on projects, homework, or be engaged in academic work while in Study Hall. Students may not come and sleep, sit idly, or hang out with their friends. This is productive work time. For students who need a more social experience, we encourage parents to sign up with the YMCA Fun Company program in the cafeteria.
- **Students who violate Study Hall rules and expectations, including disrupting the learning environment, not engaging in productive work, not following directions of the Study Hall teachers or not coming to Study Hall immediately upon entering the building, will not be allowed to participate in Study Hall or enter the school property before 8:40 a.m., unless enrolled in YMCA Fun Company.**

..... ✂ cut along line and keep above guidelines for your records.....

JT Moore Early Morning Study Hall Registration Form

Child's Name _____ Child's Grade Level _____
